

## Some practical informations about Cost Meeting in Aix-en-Provence

You will arrive on Wednesday October 29<sup>th</sup> at Marseille-Provence Airport. There you'll take a bus to Aix-en-Provence bus station. (Further informations : see bus-airport-aix.pdf)

There, with the map we sent you on september 4<sup>th</sup>, you'll easily get your hotel and on thursday (EAN\_Aix\_Informations.pdf). The university where is the Cost meeting place and Management Committee Meeting (Salle des Actes et salle du Conseil 1 and 2) (Meeting\_Place.pdf). An arrowing will be organized.

On Wednesday in the evening a dinner will gather the comittee members. But everyone is welcome (30 euros, at Bastide du Cours, 43 to 47 Cours Mirabeau, at 21h. Please inform [marie-christine.farget@cemagref.fr](mailto:marie-christine.farget@cemagref.fr) before the 25 october.

On Thirsday and Friday, you have the lunch at the university's cafeteria at 13h (10€/meal).

On Thirsday in the evening (20h) , a dinner has been organized in the historical center of the town. It would be suitable and sympathetic if everybody will meet here (40€).

Saturday morning is free. For the afternoon we have organized an excursion to Cassis, a very picturesque village on the seaside (with its port, old lanes and the highest maritime diff in Europ). So we have booked a bus to go there.

Several hypothesis :

### *Good weather conditions*

we propose :

1) either : to take the boat and visit the calanques (splendid landscapes during 1 hour and half (15 €)). If windy, we only visit the three first calanques (3/4h, 10 €). Or, if you aren't interested by this visit, you can visit Cassis during this time.

2) to visit the cellars of one of the first vineyards of this country and taste some famous wines with different local specialities to eat. (1 hour /9,5 €).

### *Bad weather conditions*

Unfortunately, in this case we can't take the boat. So we start from Aix to visit "Le Castellet" a very touristic medieval village, with a wide superb panorama.

Then, the bus will take us to visit the cellars as above. Those who don't want to do this visit, will go to Cassis.

At the end, return to Aix.

P.S You ll' note that accompanying persons pay the same for restaurants and visits.

For lunch and dinners, drinks are included.
